### Corporate Collaboration

The AFS board is dedicated to a true partnership with industry. We have developed The American Foregut Society Corporate Collaboration. This is a collaborative partnership between select industry partners and the AFS. The AFS believes all can benefit from an active/engaged working relationship with industry.

Benefits of membership include:

- 1 hour round table discussion with AFS board at annual meeting
- 30 minute one on one with board member after annual meeting (if time does not allow for an in person meeting; a conference call will be arranged within 2 weeks of end of annual meeting)
- 30 minute conference call with members of the executive committee mid year
- Assigned AFS liaison to streamline industry.
- 1 membership mailing/announcement per year (sent by AFS)
- 1 membership survey sent per year (sent by AFS)
- Recognition of Corporate Collaboration sponsor on the AFS website with hyperlink to your website
- Recognition of Corporate Collaboration sponsor at our annual meeting
- Recognition of Corporate Collaboration sponsor in our journal (when available)

Membership fee is \$15,000 per year.

Registration for Corporate Collaboration
