CME / Accreditation Information

Target Audience

This activity is designed for gastroenterologists, surgeons, and other healthcare providers involved in foregut disease.

Learning Objectives

At the completion of this activity, participants should be able to:

- Describe recent advances in the diagnosis of Barrett's esophagus, classification of esophageal motility disorders, evaluation and management of gastroparesis, and evaluation of the obese patient.
- Discuss medical vs. surgical options in the management of foregut disorders, especially esophageal motility disorders, gastroparesis, and obesity.
- Explain the value of endoscopy in the pre- and post-operative evaluation of the symptomatic patient.
- Discuss ergonomic practices in the endoscopy suite and the operating room, and strategies to mitigate ergonomic strain.
- Explain modern advances in eosinophilic esophagitis, and techniques for myotomy and esophagectomy.

Activity Goal

This activity is designed to address the following core and team competencies:

Medical Knowledge, Practice-based Learning, Interprofessional Communication, Professionalism, Employ Evidence-based practice.

Non-Endorsement

The accredited provider verifies that sound education principles have been demonstrated in the development of this educational offering as evidenced by the review of its objectives, teaching plan, faculty, and activity evaluation process. The accredited provider does not endorse or support the actual opinions or material content as presented by the speaker(s) and/or sponsoring organization.

Disclosures

The accredited provider adheres to accreditation requirements regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations. - All employees in control of content have no relevant financial relationships to disclose. All relevant financial relationships have been mitigated.

Accreditation

In support of improving patient care, this activity has been planned and implemented by Cine-Med and the American Foregut Society. Cine-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Physicians

Cine-Med designates this live activity for a maximum of 21.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC

This activity is approved for 21.5 Self-Assessment Credits towards the American Board of Internal Medicine Maintenance of Certification Program.

Nurses

This activity provides 21.5 contact hours for nurses.

Other Healthcare Professionals

All other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for activities designated for AMA PRA Category 1 Credits™, consult your professional licensing board.

Certificates

To claim your CME/CE credits, you will have to complete the online Credit and Evaluation form. This is a one-time credit submission. Credits should be tracked at the completion of the meeting. Participants will be able to download or print a certificate once the form has been submitted.
